

ANSWER SHEET EVALUATION (STRENGTHS & GAPS)

Date: 5/4/2026

Student Name: Anshul

Marks: 64/80

Percentage: 80%

Grade: B1

Strong Areas

- **Literature:** The student demonstrated a good understanding of the literature section, effectively answering questions regarding character emotions and themes. The descriptions were reasonably detailed and displayed an understanding of character motivations and story dynamics.
- **Reading Skills:** The student successfully engaged with the reading comprehension questions, providing relevant insights into the passage and showing a grasp of the concepts of happiness and travel.

Needs Improvement

- **Grammar and Sentence Structure:** There are noticeable grammatical errors and issues with sentence structure in various sections. Improved proofreading and focus on grammar could enhance the clarity and professionalism of the writing.
- **Analytical Writing:** The student's analytical writing could benefit from more depth and structure, especially in the essay-like questions. Including concrete examples and a clearer layout of ideas would strengthen the arguments presented.

Actionable Feedback

- **Grammar Practice:** Regularly practice grammar exercises focusing on sentence construction, punctuation, and common errors to improve fluency in writing.

ANSWER SHEET EVALUATION (STRENGTHS & GAPS)

- **Structured Writing:** When crafting essays or longer responses, organize thoughts into clear paragraphs and support arguments with detailed examples to enhance readability.

Overall Performance

The student has performed well in the examination, securing a total of 61 out of 80 marks. They displayed a solid understanding of the reading and literature sections, showcasing an ability to interpret texts and derive meaning effectively. However, there are areas for improvement, particularly in writing quality and grammatical accuracy. With focused efforts on grammar and structured writing, the student can elevate their performance further in future assessments.
